

Notice of survey work on the junction of Nantwich Road and London Road

April 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Working on behalf of HS2 Ltd, Kier is carrying out surveys and investigating ground conditions along the Phase 2a route.

What we are doing

We will be carrying out ground penetrating surveys to help us identify the location of buried utility services, such as gas, electric or water. These surveys are non-intrusive, we will use a machine that transmits an electromagnetic pulse into the ground. These pulses reflect off features in the ground, allowing us to collect data and to understand the depth of the buried utility services.

Along with ground penetrating surveys, we will carry out several other surveys. For the safety of both our workforce and road users, we need to install overnight temporary traffic lights on the junction of Nantwich Road and London Road leading on to Audlem Road and Newcastle Road.

When the work will take place

These works will take place from **Tuesday 3 May to Friday 13 May 2022**. Please note that all our planned roadworks may be subject to change due to weather conditions or unforeseen circumstances.

Covid-19

We are working in line with Government and Public Health England (PHE) advice on working safely during the pandemic. For all events and engagement, we will carry out a risk assessment and put in place control measures to manage the risk of Covid-19 to the public and our staff. If you have any questions about this, please contact our Helpdesk to find out more. The health and safety of our workforce and the communities we affect is our key priority.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

Tuesday 3 May to Friday 13 May
between the hours of
8pm and 5am
(excluding weekends)

What to expect

Temporary traffic lights on the junction of Nantwich Road and London Road.

Some delays

Low levels of noise

What we will do

Maintain access to businesses and properties within the closure

Notify you in advance of any changes

Call our HS2 Helpdesk team on **08081 434 434**

How this will affect your journey

From **Tuesday 3 May** to **Friday 13 May**, between **8pm** and **5am** we will need to install temporary traffic lights overnight on the junction of Nantwich Road and London Road, leading on to Audlem Road and Newcastle Road. We will be moving along the carriageway, and the location of the traffic lights will differ each night. Please allow for a small delay when planning your journey.

How we will minimise disruption

We will maintain access to all properties and businesses within our traffic management. The nature of the work is non-intrusive and should not affect nearby properties. The traffic lights will be fully signed and only in use when we are working.

Where we will be working
